Please observe! This is a Fabric section, the graphic will be done in fabric material with PVC edge band. For graphic productin see **"Fabric instruction no. 2"**.

Build your frame

2 Mount the 4 connertors at the outside in each corner.
Tips! if you mount the front connector 30 cm in on the frame you will have a small roof over your front module.

3 Mount the frame to the backwall and front module.
Attach the connector at the top hubs in all four corners.
